

13<sup>th</sup> September 2015

Dear parent/guardian,

I hope this letter finds you well. I have attached to this letter the events and excursions that the Cabinteely Community School Transition Year students will be undertaking between now and Christmas. If you give permission for your son/daughter to attend each event could you indicate so by ticking the appropriate box?

The cost of the majority of these events is covered by the contribution you made to the school for Transition Year. If there is an additional cost it has been highlighted on the permission slip. Students will be expected to cover their own public transport fare and in some cases will be free to make their own way home after the event. It is also important to remember that normal school rules apply during the course of these events.

Closer to the date of each event students will be advised as to what to bring and wear to each event.

The dates are subject to change and if this happens you will be notified by letter and/or text. There may also be other events organised which are not confirmed as of yet, if this is the case you will receive a separate letter and permission slip to sign.

Could I also ask that you check with the school if you are not receiving text messages from the school's text messaging communication service? As much of the communication between the school and home is now done via text message.

If you have any questions in relation to this or in relation to anything else please don't hesitate to contact me in the school.

Kind regards,

---

Enda Duffy  
4<sup>th</sup> Year Head
