

Cabinteely Community School

ADMISSION PROVISIONS FOR THE MERICI CENTRE

Ratified September 2022

1. Background

Cabinteely Community School is a co-educational multi-denominational Community School operating under the patronage of the Ursuline Sisters, the Archdiocese of Dublin and Dublin and Dun Laoghaire Education and Training Board.

This policy is set out in accordance with the provisions of the Education Act 1998, the Education (Admissions to schools) Act 2018, the Education (Welfare) Act 2000, the Education for Persons with Special Needs Act 2004 and the Equal Status Act 2000.

This policy must be read in conjunction with and is part of the overall Student Admissions Policy for Cabinteely Community School.

The Special Class for students with Autism is funded and resourced by the Department of Education and Skills (DES). The Board of Management of the school has the responsibility for the ongoing management of the Special Class, having regard to the funding, resources, services and space available.

1.1. Aims

The aim of Cabinteely Community School is to offer a kind and caring educational experience which supports the wellbeing and the academic, spiritual and creative growth of every student.

The aim of the Special Class is to offer a specific learning environment within a mainstream post-primary school. This setting facilitates optimum inclusion as part of the school community with access to mainstream educational activities that are available and that are deemed appropriate to the ongoing education of the student.

After a period of time observing, assessing and inter-acting with the student, a Student Support Plan will be developed following consultation with parents/guardians and with other relevant professional staff (e.g. NEPS psychologist, co-ordinator/teacher(s) of Special Educational Needs/Autism, occupational therapist, school principal/deputy principal etc), as deemed appropriate.

1.2. External Support Services

Essential services are provided by the Health Service Executive (HSE). These services include Speech and Language Therapy, Occupational Therapy or Physiotherapy. The Board of Management at Cabinteely Community School has no function in accessing these services, but merely acts as a relevant conduit for their provision, where available and possible. Furthermore, Cabinteely Community School cannot guarantee any additional service or support that may be available to the student through the offices of the HSE. Cabinteely Community School does not have the resources to follow up on these services and it is a matter for the parents/guardians

alone to ensure that all such possible support services are being accessed and availed of.

1.3. Pre-enrolment Criteria

All applicants must have an assessed primary diagnosis of Autism/Autistic Spectrum Disorder. The assessment must be in line with the established DES criteria of DSM-V and FCD 10 (DSM and FCD are the criteria used by health professionals to diagnose Autism). All applications must be accompanied by an assessment, carried out by an educational/clinical psychologist, psychiatrist or from a multi-disciplinary team (clinical psychologist, occupational therapist, speech and language therapist, social worker, and/or physiotherapist). The report must recommend placement in an Autism specific class in an ASD Unit for the child. The report should have been issued within twelve months of the application to the school.

All applications in operation on a child should be provided to the school for assessment by the Admissions Team, made up of the SEN Coordinator, the Special Class Coordinator, the deputy principal and the principal. The withholding of such reports from the school may invalidate an enrolment application at any time.

Parents/guardians should note that under the official DES guidelines, the number of student places available in the special class at Cabinteely Community School is six students for the school year 2021/2022 (Class 1), six students for the school year 2022/23 (Class 2). It is not envisaged that another class will open in September 2023. This policy refers to any places that may become available in the two classes already established in the school.

It should be noted that fulfilling the enrolment criteria does not necessarily guarantee the student a place in the ASD Class.

The Board of Management require that parents/guardians must accept that the enrolment process only proceeds where the educational and physical needs of the applicants as identified can be met within the ASD Class.

The parents/guardians of the applicant must accept and agree to Cabinteely Community School Learning Code (Behaviour Code) and the terms of this policy.

The Special Class at Cabinteely Community School will only cater for children who are 12 years or more, and less than 18 years of age, on 1st of September of the school year in question.

1.4. Enrolment

All applications for enrolment in the Special Class will be considered within the context of the school's Admission Policy. Where the Special Class in Cabinteely Community School is not oversubscribed, all students whose needs fall within the category of special educational needs provided for by the Special Class will be offered a place in the Special Class, subject to the Admissions Policy.

1.5 Oversubscription

Priority will be given to students as per the criteria mentioned in 1.8 below. The feeder schools specified in the criteria are as follows: the Special Classes in local DEIS feeder schools Scoil Mhuire National School in Shankill, St Columbanus National School in Glenageary, Scoil Colmcille in Ballybrack and St John's National School in Loughlinstown, in addition to the ASD Classes in Our Lady of Good Counsel National School in Johnstown, in no particular order.

1.6 The Catchment Area

The catchment area for Cabinteely Community School is defined as the area bounded by:

- Deansgrange Road/ Kill Lane/ Westminster Road to the north;
- Monkstown Road/ Newtownpark Avenue/ Marian Park/ Brookvale to the north west;
- Dun Laoghaire Road/ Crofton Road/ Harbour Road to the east;
- Quinn's Road/ Ballycorus Road to the south;
- Brighton Road/ Enniskerry Road to the west.

Applications to enrol a student in the Special Class will only be considered in the year of entry of the applicant to Cabinteely Community School, ie, for September 2023 enrolment, we will process applications from the November 2022 enrolment period.

1.7. Application Process

The process begins with a referral from a feeder school, an external agency or a telephone call or a visit in person to Cabinteely Community School by a parent/guardian.

An Application Form, a copy of which is available from the school or on the website, should be fully completed and submitted by the parent/guardian on behalf of the applicant. The closing date for receipt of such completed applications by the school, is the last working day of October in the year prior to enrolment. Parent/Guardians seeking a place in the special class should clearly state this on the enrolment application form. Parents/Guardians should note that the application process for placements in the SpecialClass differs to that for student applications for enrolment in mainstream classes.

All parents will receive a letter two weeks after the closing date of the enrolment period acknowledging receipt of the initial application form and requesting additional documentation. Parents/guardians seeking a place in the special class will be requested to complete a longer Enrolment Application Form which should be accompanied by an original birth certificate of the applicant and accompanied by all the up to date and pertinent educational psychological assessments(s) and diagnostic report (s). The Enrolment Application form must also be accompanied by school reports and relevant documented information from all previous schools that the applicant attended.

There must be signed consent from the parents/guardians granting the Board of Management of Cabinteely Community School permission to access and share any other reports relevant to the application.

Fully completed Enrolment Application Forms are then recorded in the school applications file. Entry on to the Cabinteely Community School applications file secures a place on the list of applicants only. Only applications that then meet the criteria for enrolment, subject to available space and maximum student numbers, will be considered.

Two of the following original documents, as proof of address within the catchment area must accompany the application for enrolment - ESB (or alternative provider) bill, gas bill, landline telephone bill or television supplier bill.

The advice, support and recommendation of the Special Educational Needs Organiser (SENO) for the area/region, based on the needs of the applicants, will be considered in the decision-making process associated with enrolment of applicants in the Special Class at Cabinteely Community School.

It is important that parents/guardians note that Cabinteely Community School may in certain clarified circumstances, and following an assessment and investigation, be unable to meet the special educational or physical needs of the applicant on the grounds that;

- (i) the applicant is deemed a risk, on health, safety, welfare or security grounds to themselves and/or other, or
- (ii) admission of the applicant will make impossible, or have a serious detrimental effect on, the education provision by Cabinteely Community School as an educational establishment of its services to others.

All recommendations will then be considered by the Enrolment Team. The principal will make the final school decisions on all applications to enrol.

1.8. Criteria for Enrolment in the Case of Oversubscription

Where the number of applicants on the applications file exceeds the number of places available, the following ranked criteria will then apply in this order to all applications received:

1. Students already enrolled within mainstream classes or who have been accepted to a mainstream place in Cabinteely Community School and who meet the criteria for placement in the Special Class as outlined in 1.3 above.
2. Applicants with siblings already enrolled in the Cabinteely Community School, and in attendance at the school during the enrolment period (May to September of the year of application).
3. Applicants attending the feeder schools named above and who are resident in the catchment area, which is outlined above (Map in Appendix 1).

4. Applicants for whom the Merici Centre would be the nearest facility for students with Autism in their area.

Parents/Guardians should note that where the number of applicants at any stage of the criteria numbered above exceeds the number of spaces available within that criterion, Cabinteely Community School will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

1.9. Dual Enrolment

All students in the Special Class are automatically eligible to a place in the mainstream year groups appropriate to their age/level of education reached. This will allow students the flexibility of joining a mainstream class where it is determined by staff and parents/guardians that they should do so.

1.10. The Transition from Primary to Post Primary

Parents/Guardians should note;

- a. The parents/guardians of a child being offered a place in the Special Class will be invited to visit the school to meet with a member of the Special Education Team and the Principal/Deputy Principal of the school, to discuss the placement/enrolment of their child. Any information requested by the parent/guardian will be provided at this meeting.
 - b. The parents/guardians may be requested to consent to a visit by a member of the Special Educational Needs professional staff at Cabinteely Community School, to visit the existing school placement of the student concerned in order to observe the student in a classroom situation.
 - c. The parents/guardians will be invited to accompany their child to visit Cabinteely Community School Special Class and meet staff.
 - d. The Parents/ Guardians are also invited, after the acceptance and placement of their child in the Special Class, to be consulted about the Education Plan for their child.
 - e. The NEPS psychologist and SENO will be appraised of the Student Support Plan
- a. A child may be phased gradually into the special class through a mutually agreed process between parents/guardians and the management of the school.
 - b. Where it is deemed appropriate, a student in the Special Class will be assigned to an age appropriate mainstream class for integration purpose by school management.

1.11. Transfer from Other Schools

Students enrolled in a Special Class in another post-primary school applying for transfer enrolment to Cabinteely Community School Special Class at the end of a school academic year will be placed on a waiting list, if they meet the criteria listed above.

Students who are currently enrolled in a Special Class in another post-primary school applying for transfer enrolment to Cabinteely Community School Special Class during the academic year, will be placed on a waiting list if they meet the criteria outlined above.

Parents/Guardians must note the Cabinteely Community School respects the right of the existing school community and the students already enrolled therein, and this consideration is paramount when assessing entry to the Special Class.

1.12. Review of Placements

The placement of every student within a Special Class will be subject to regular review by the school staff and, where appropriate, the professional services external to the school, following which decision will mean that the student will;

- (i) Continue within the Special Class at Cabinteely Community School
- (ii) Integrate fully into the mainstream post-primary, or
- (iii) Seek an alternative and more appropriate educational placement for the student as Cabinteely Community School is unable to meet the educational needs of the student. In such an instance the support and assistance of the staff at Cabinteely Community School will be available to assist the family in securing a more suitable learning environment in another educational institution, for the student concerned.

1.13. Behaviour

As already indicated above the Parents/Guardians of the applicant for enrolment must accept and agree to Cabinteely Community School Code of Behaviour/Discipline and the terms of this policy.

Children with special educational needs may display difficult, defiant or oppositional behaviours. All efforts will be made by staff at the school to manage such behaviour using various strategies and through the implementation of the Student Support Plan. All students including those with special educational needs are subject to the school Learning Code (Behaviour Code) and the terms of the Health and Safety Statement adopted by the Board of

Management at the school. Where any student's behaviour impacts in a negative way on the other students in the Special Class, or the students in a mainstream class, to an extent that their constitutional right to an education is being interfered with, as judged by the Board of Management of the school, then the school reserves the right to advise parents/guardians that a more suitable educational setting should be found for their child. The Board of Management of Cabinteely Community School reserves the right of admission and to refuse to enrol a student, within the terms of this policy.

1.14. Acceptance of a place

If the student in respect of whom the application is made is offered a place, the applicant will be issued with an Acceptance Form by the school. The applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form within two weeks of issuing by the school. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school. Failure to fully complete and return the Acceptance Form to the school within two weeks of issuing by the school, may result in withdrawal of an offer, in line with the grounds for withdrawal of an offer as set out below.

1.15. Refusal to Enrol

Where a student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

- i. The reasons that the student was not offered a place in Cabinteely Community School
- ii. Details of the student's ranking against the published selection criteria
- iii. Details of the student's place on the waiting list, if applicable; and
- iv. Details of the Applicant's right to appeal the decision.

In addition to the conditions for consideration of an application as set out in the General Admissions Policy, an offer of admission may not be made where the information contained in the application is false or misleading in a material respect

1.16. Withdrawal of an Offer

An offer of admission may be withdrawn where:

- i. The information contained in the application is false or misleading in a material respect,
or
- ii. The applicant fails to confirm acceptance of an offer of admission within two weeks of the offer of a place or

- iii. An applicant has not indicated whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s); and whether or not s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that student shall be treated as a late application.

2. APPEALS

2.1. Appeal where refusal was due to oversubscription

An applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must submit his/her appeal in writing, via a Section 29 Appeal Application Form, available from the school office and on the school's website, for it to be reviewed by the Board of Management of Cabinteely Community School at office@cabinteelycs.ie.

established by the Minister for Education and Skills under section 29A of the Education Act 1998.

2.3. Basis for Appeal

As required by section 29C(2) of the Education Act 1998, an application to appeal must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to appeal the decision.
