## **Characteristic Spirit**

Cabinteely Community School is a co-educational multi-denominational post-primary school under the joint patronage of the Catholic Archbishop of Dublin and the Ursuline Congregation and Dublin and Dun Laoghaire Education and Training Board (ETB).

Community Schools provide a comprehensive system of post-primary education, open to all the children of the local community. An innovative approach to delivery of a wide-ranging curriculum contributes to the spiritual, moral, mental, physical and social well-being of students within their community. Community Schools may also provide for life-long learning within their local community through the provision of adult education programmes.

Our school was established under the Deed of Trust and opened in August 1975 when the Ursuline Secondary School was given to the Department of Education and Youth for a new Community School. The values of Dublin and Dun Laoghaire ETB as a multi-denominational State Body and the inherited traditions, Christian values and founding intentions of the Archbishop of Dublin and the Ursuline Congregation founded by St. Angela Merici are enshrined in the characteristic spirit and in the life of our school and are respected and cherished.

The core values of Cabinteely Community School are care, respect, community, inclusion, equality, justice and fairness. These values combine to provide and support an atmosphere which is conducive to excellence in teaching and learning. We endeavour to assist each student to reach his/ her full potential in a calm, caring and creative environment.

Our values are reflected in how we live as a school community. The unique and intrinsic value of each member of the school community is recognised and respected. All are treated equally, regardless of race, gender, religion/belief, age, family status, marital status, civil status, membership of the Traveller community, sexual orientation, ability, disability or socio-economic status. All students are given equal opportunity for enrolment, in line with the Education (Admissions to School) Act (2018) construed in accordance with section 3 of the Equal Status Act 2000, and circular 0039/25. Once enrolled, our school, Cabinteely Community School, provide all our students with equal opportunities to engage with the curriculum, school life and the local community.

Our school, Cabinteely Community School, provide a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. We strive to enable every student to realise their full potential regardless of any aspect of their identity, culture or background. Our school promotes a fully inclusive education which recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded and responsible citizens with a strong sense of shared values with a view to contributing to a just and fairer society.

Our school is multi-denominational where we welcome, respect and support students of all religions and beliefs. The provision of religious education, religious worship and the work of the Chaplain all combine to reflect the founding intention of the school, the school's mission statement and the needs of the students within the school. The characteristic spirit of the school finds practical expression through the provision of pastoral, liturgical and social outreach activities, as appropriate, for each student.

The procedures of the school in relation to the admission of students who are not already admitted to the school to classes or years other than the school's intake group are as follows: Parents / guardians wish to transfer their son/daughter to Cabinteely Community School from another recognised second level DE Secondary School request an application form from the school.

Transfers from other second-level schools are presented to the Board of Management of Cabinteely Community School, in order of priority based on the selection criteria in Section 6. The procedures of the school in relation to admissions students who are not already admitted to the school, after the commencement of the school year in which admission is sought as are follows:

Parents/guardians wish to transfer their son/daughter to Cabinteely Community School from another recognised second level DE Secondary School should contact the school to establish whether places are available at the appropriate level as decided by the Board of Management. - (b) the admission or continued enrolment of a student in the school.

**Note:** Exceptions apply only in relation to post leaving cert or further education courses run by the school.

## **17. Arrangements regarding students not attending religious instruction**

Cabinteely Community School offers religious education in all year groups as it promotes the holistic development of the students and can contribute positively to their wellbeing in line with the principles of the Junior Cycle and Senior Cycle Frameworks and in the spirit of the Deed of Trust. It facilitates the intellectual, social, emotional, spiritual values and moral development of students and encourages respect for all members of our school communities. In addition to religious education supports the 'multi denominational' aspect of our school's ethos as it provided opportunities for students to engage with questions around their own religious or non-religious beliefs and those of their peers. In this context it is important to understand the distinction between 'religious education' and 'religious instruction'.

- Religious education is open to all pupils regardless of their commitment to any religious or worldview. It seems to contribute to the spiritual and moral development of all students equally.
- Religious instruction is instruction in accordance with the rites, practices and teachings of a particular religious or denomination for pupils of the religious tradition.

Given that religious education, as distinct from religious instruction, is timetabled across our school at all levels and legal requirement to advise of the option to opt-out of religious instruction does not arise.
